

“The Children's Center of Cicero-Berwyn not only offers Preschool-for-All (PFA), Head Start, and Full Day programs in an early childhood developmentally-appropriate way, it is also done in a loving and nurturing family atmosphere.

Children and their families are treated with respect for themselves, their cultures, and their traditions. The Children's Center is not just about education, it's about family.”

by Laura Sutor, Administrative Assistant (Riverside Drive Site - 25 year employee)
